

ANA ULLOA PIÑEIRO	
PORT OF VIGO	
PORT OPERATIONS MANAGER	
<p>Civil Engineer by the University of A Coruña; Master in Management of Infrastructures, Equipment and Service by the Polytechnic University of Madrid; And Management Development Program, IESE Business School of the University of Navarra (Madrid). In October of 2006 she joins the Port Authority of Vilagarcía de Arousa where she performs as Port Operations Manager until January 2013 when she is appointed Port Operations Manager of the Port Authority of Bilbao. She is currently Port Operations Manager of the Port Authority of Vigo.</p>	
SMART VIPORT – PHILOSOPHY, PLANNING AND IMPLEMENTATION	
<p>The Port Authority of Vigo is developing a new business philosophy that is developed through the investment line called SMART VIPORT. SMART VIPORT aims to modernize and automate all work processes, both internal and those provided in the port community, with a final objective: the PAPERLESS OFFICE.</p>
