

BEATRIZ GALÁN	
PORT AUTHORITY OF GIJÓN	
EUROPEAN PROJECTS	
<p>I received my degree in Business and Administration from the Faculty of Economics and Business, University of Oviedo (Spain), in 2009, and that same year I obtained an MBA degree in International Relations and Foreign Trade.</p> <p>Regarding my professional experience, I have been working for the Port Authority of Gijon since April of 2009, for the Innovation and European Projects Department. For the last 8 years I have been in charge of the technical and financial management of European funded projects, in the areas of maritime and multimodal transport, ports, logistics, environment, energy, security, training and European regional cooperation.</p>	
PORT OF GIJÓN ACTION WITHIN SAMUELNG PROJECT	
<p>Presentation of the main objectives, participants and content of the design studies under the Port of Gijón action: a mobile bunkering, refueling and LNG system design in the Port of Gijón.</p>
